Seek Opinion On Ordinance Restricting Gas Stations

Gettysburg apparently does not have an ordinance "prohibiting the installation or maintenance of storage tanks for storage of inflammable liquids of more than 50 gallons capacity within one block from Lincoln Square," although it does have an ordinance which contains that wording.

The question arose at Monday evening's meeting of council in the engine house when Burgess Wilbur L. Plank told council, "I have a request for a building permit from Sibarto Corporation for construction of a new, modern three-bay gasoline station at the site of the Adams House. I would like council to help me interpret our ordinances to determine whether I can or cannot grant the permit. The plans are all approved by the appropriate state authorities."

Council President Glenn Guise and borough solicitor Eugene V. Bulleit said that council cannot interpret its own ordinances, that interpretation is up to the burgess, who can call upon the solicitor for aid in the interpretation of the

FAVORS NEW COUNSEL
Bulleit said he did not wish to give an opinion immediately, but said he would read the various ordinances and give an opinion in writing if council wished.

He added, however, that he would prefer that the burgess be authorized to retain independent counsel, stating that he had represented the owners of the Adams House in the sale to the Atlantic Refining Co. subsidiary which purchased the property at the corner of Chambersburg and S. Washington Sts. for the proposed gas station.

Attorney John Thrush, a member of council, said he appreciated Bulleit's view but felt that there was no need for him to dissociate himself from the matter.

Councilman Philip Jones said, "Since the ordinances are what they are, it doesn't matter what attorney reads them, they'd all get the same answer."

REC WORKERS TO ATTEND TWO DAY INSTITUTE

Recreation Director Lee Raffensperger today announced the two-day Gettysburg Playground Institute for summer supervisors, instructors and other personnel will be held at the rec office in the high school Thursday and Friday.

They will meet at 9 o'clock Thursday morning. Among the topics to be discussed are: Personnel orientation, playground songs, special events—local and area, evening programs, sports and games, storytelling, skits and drama, safety and first aid, arts and crafts, nature, folk and square dancing, bibliography, a review and discussion of the first week's activities and a question and answer period.

Raffensperger said that assignments for the various areas will be made Friday afternoon at the close of the institute. The group will then visit the assigned areas and secure equipment to be used at the areas.

They will hold a picnic get-together Friday afternoon at the Rec Field starting at 5 o'clock.

Raffensperger also announced the first week schedule of the

HEALTH NEEDS OF TOWN ARE LIONS' TOPIC

The 11 general health recommendations made for Gettysburg after a recent state-conducted survey here were reviewed for Gettysburg Lions Monday evening at their weekly dinner meeting at the VFW Home by Jack S. Libby, state sanitarian for Adams County.

The recommendations, most of which require action by town council to become effective, were included in an "environmental sanitation" report submitted to council after the survey was completed.

The state report urges that backyard burning of rubbish be prohibited, that the borough have compulsory subscription to refuse collecting services, that closer restrictions be placed generally on health-connected matters and that the borough's sewer lines be extended to densely populated areas in neighboring townships.

ROCK CREEK "POLLUTED"

Although Mr. Libby told the clubmen that Rock Creek was not checked in the survey on which the report was based, he said: "We are aware Rock Creek is being polluted. It is a rather grossly polluted stream." He added but emphasized that "the borough doesn't pollute the stream as far as we know but it is polluted above and below the town."

He explained that the sewage disposal plant itself was not included in the survey because it comes under the jurisdiction of a different section of the State Department of Health.

Highlights of Libby's report to the Lions showed that 36 per cent of the town's residents do not practice proper refuse storage and 40 per cent of the premises were using "improper" means of refuse disposal. The report showed only 65 per cent of the town's residents subscribe to the collection services but in answer to

5 VOLUNTEERS TO TEACH YEAR WITHOUT PAY

The Blessed Clet Unit of Saint Joseph College, Emmitsburg, in accordance with its missionary theme: "Through the lay apostolate, by prayer and in service, the Mystical Body is ministered to," will send five June graduates to help staff the Immaculate Conception Elementary School in Alamogordo, N. Mex. The group of volunteers includes the Misses Mary Louise Murphy, of Baltimore; Marie Karl, Summit, N. J.; Patricia Morgan, Oradell, N. J.; Joanne McNally, Weehawken, N. J.; and Anne Maum, a former classmate, from Philadelphia.

OPENED IN 1957

The Immaculate Conception School in Alamogordo was opened in 1957, staffed by two Franciscan Sisters and two Saint Joseph College graduates of that year. The new "missionaries" have volunteered to teach during the academic year ending in June, 1962, without salary, accepting only travel expenses and room and board, plus a small spending allowance for their year of service. In Emmitsburg the Blessed Clet Mission Unit will continue to work for the support of the lay apostles, forwarding voluntary student offerings and contributions obtained from profits of a student-staffed gift shop on campus.

Saint Joseph College joined the "Give-a-year" movement in 1957, and since that time has sent 26 of its graduates to mission schools in the south and southwest. Through this movement, which originated at Regis College in Weston, Mass., by Sister Mary John, C.S.J., Catholic college graduates give a year of their lives to staffing parochial schools where the needs are great, both in the United States and other countries.

JAYCEES MAKE PLEA HERE FOR COOPERATION

The executive committee of "Campaign Gettysburg," the Junior Chamber of Commerce-sponsored program to beautify the community by making various changes in store fronts, etc., today pleaded with those planning construction of new buildings or new store fronts to contact them before going ahead, with the hope that the Jaycees can convince the builders of the practicality of fitting their new construction into the overall decorating plan to be proposed in "Campaign Gettysburg."

The plea came when the executive board heard of plans for construction of two modernistic service stations in the center of the town this summer.

Reports on the plans came Monday night immediately after the executive committee had met with representatives of the Saturday Evening Post and signed contracts for co-sponsorship of Campaign Gettysburg by the Post and Jaycees in which about

Refuses Aid From Brother; Is Jailed

Charles V. Bumbaugh Jr., 18, Orrstown R. 1, is in the county jail today prepared to serve five days in default of a fine and costs totaling \$10 levied on a stop sign violation.

Sheriff Dawson Miller reported that Bumbaugh was arrested by state police and taken before Justice of the Peace Ellis Stine, Fairfield R. 1. The justice levied a \$5 fine and \$5 costs. Bumbaugh said he wouldn't pay.

Bumbaugh's brother, according to the sheriff, said he would pay for Bumbaugh. Bumbaugh refused the brother's offer and instead was removed to jail Monday evening to serve the five days.

Begins Serving As Minister Of Music

Samuel L. Scott Jr., Gettysburg, a graduate of the Westminster College, New Wilmington, assumed his duties Sunday as the minister of music at the State Street EUB Church in Harrisburg. He has served in similar positions at Point Pleasant Presbyterian Church and West Presbyterian Church, Wilmington, Del.

His new duties include direction of the church's four choirs and supervision of the church's music program.

While at Westminster he was a member of the symphonic choir and sang 30 performances with the New York Philharmonic Orchestra. In 1957 he was soloist with the Grand Rapids Symphony Orchestra.

His wife is also a Westminster College graduate.

High Court Deals Severe Blow To U.S. Communists

By PAUL M. YOST

WASHINGTON (AP) — Dividing 5 to 4 in two historic decisions, the Supreme Court has upheld two of the government's major weapons against Communist party activity in the United States.

The decisions backed the tightest U.S. restrictions ever aimed at a group which purports to be a political organization.

The court Monday upheld: 1. A clause in the Smith Act which makes it a crime for a person to belong to any organization knowing that it advocates violent overthrow of the government.

2. A requirement that the Communist party register with the U.S. attorney general as a puppet of the Kremlin. This requirement is a part of the 1950 Subversive Activities Control Act.

COURT GRANTS DIVORCE TODAY

Charity Delotha Ritchie, 50 W. Railroad St., was granted a divorce from James Harold Ritchie, Rockview State Penitentiary, Beltsfont, by the county court this morning.

Attorney Edward B. Bulleit was appointed master in the divorce action of Albert L. Wildasin versus Shirley L. Wildasin.

The court handed down the precept calling for selection of jurors for the August term of court.

Approval was given for Roger Paul and Janice M. Lazevnick to change their last name to Lane, which Mr. Lazevnick had been using since a child.

The final account of the First National Bank of Gettysburg as guardian of the estate of Mary Gertrude Ertter was approved showing no balance remaining and the bank was discharged from its duties in the estate.

A support order against Lewis J. Showers was terminated following a hearing. Approval was given for accounts of a number of estates.

PUTMAN OPENS SYNOD SESSION MONDAY NIGHT

"We may not be able to change the world. We may not want to change it but we do not have to accept it so wholeheartedly," the Rev. Dr. Dwight F. Putman told 650 delegates and visitors to the 24th annual convention of the Central Pennsylvania Synod of the United Lutheran Church in America at the opening communion service Monday evening in Christ Chapel on the Gettysburg College campus.

Dr. Putman, who is president of the 300,000-member synod, warned that men today are facing challenging situations and tempting appeals that make Christian living more difficult.

Among some issues he cited were the use of power for selfish ends by compromising ideals, worshipping "bigness" and efficiency and the maintenance of force.

CITES RACIAL ISSUE

"Another situation that challenges today's Christians is the racial question and that is not a section issue," he said. He said that an air of superiority has always been accepted by the racially superior group. "This was true in the men who had the gospel. We are now facing racial tensions not so much because of the gospel but because our world threatens to cave in around us. "We must soon know by practice, if not by acceptance of the gospel, that men cannot alone find the way or know the truth. We know the truly only as revealed to us by God. We build only by the power of God. We live only by the grace of God."

MERGER APPROVED

Without discussion at this morning's session, the synod voted 524 to 27 in favor of the proposed merger of four Lutheran bodies, the American Evangelical Lutheran Church, the Augustana Evangelical Lutheran Church, the Finnish Evangelical Lutheran Church and the United Lutheran Church in America. A resolution at the synod convention last year had recommended ratification of the merger plans.

Similar resolutions of approval already have been adopted by 22

None Injured In Two Car Crashes

No one was reported injured in accidents investigated by state police Monday afternoon and this morning.

Monday afternoon at 4:50 o'clock, one mile north of Littlestown on the Gettysburg Rd., cars operated by Robert L. Little, 19, of Newark St., Littlestown, and Barbara Ann Rinehart, 18, Littlestown R. 1, collided, causing \$150 damage to the first and \$100 to the second car. Police said both vehicles were headed south when the Little auto rammed into the rear of the Rinehart vehicle.

This morning at 5:15 o'clock five miles west of here on the Lincoln Highway, according to police, an east-bound sedan driven by Rebecca M. Stull, 47, Orrtanna R. 1, struck the rear of an empty east-bound gasoline tank truck operated by Donald Eugene Small, 34, Mont Alto. Damage was estimated at \$375 to the car and \$100 to the tank trailer.

The ruling specifically dealt with Junius Irving Scales, a former chairman of the Communist party's district in the Carolinas. He has said he is no longer a member of the party.

Scion of a well-known North Carolina family, Scales was sentenced to six years imprisonment after his second conviction under the Smith Act's membership clause.

Win Franklin Twp. 6th Grade Prizes

Announcement was made today of the recent presentation at the Franklin Twp. school of the annual John Elwood Chapman and the Robert C. Mackley awards.

The Chapman award for the student with the highest scholastic average was won by Margaret Ann Norman, daughter of Mr. and Mrs. Luther Norman, Biglerville R. 2, and the Mackley prize for the student with the highest marks in mathematics was won by John Sanders, son of Mr. and Mrs. Lawrence Sanders, Orrtanna R. 1.

Both awards are for Sixth Graders. No student is permitted to win both awards and there is a requirement that, to be eligible for the prizes, the students must have been residents of the township for at least two years.

KIWANIANS GIVE PAVILION TO COMMUNITY

The Gettysburg Kiwanis Club on Monday evening formally turned over to the Gettysburg borough council the pavilion the club members constructed last season on the Gettysburg Recreation Field for the use of the people of Gettysburg and its surrounding area.

President Kenneth Foust of the Kiwanians presided at the brief ceremony and turned over to Burgess Wilbur Plank a bronze plaque symbolic of exchange of possession of the building. The burgess accepted the plaque and the building in behalf of the town council and the community.

Attorney S. M. Raffensperger praised the local service clubs for their continual contributions to civic betterment. Referring specially to the current gift from the Kiwanians he said the new pavilion "will be a fine asset for the community and can well serve to alleviate two serious problems broken homes and delinquency by helping to keep families together and by inducing our youth to spend more leisure time within the community instead of on the dangerous highways."

BOARD MEMBERS THERE

President Foust expressed his appreciation to Past President William Ditzler under whose administration the pavilion was erected and thanked all of the members who had contributed their labor to build it.

Recreation Director Lee Raffensperger and these members of the local Recreation board, Kenneth Dengler, G. W. Lefever and Mrs. Donald Wickerham, were on hand for the presentation.

The invocation for the program was given by the Rev. D. Reynolds Simmons Jr. and the benediction by the Rev. J. Harold Mowen. The clubmen went to the "rec" park for the presentation after their weekly dinner meeting at the Lamp Post Tea Room.

BOARD GRANTS EXONERATIONS

The Upper Adams Joint School Board, at its monthly meeting Monday evening in the elementary school cafeteria, exonerated the residents in three boroughs and two townships of \$6,806.12 in taxes.

The exonerations were made to correct errors such as duplications, and residents who have moved out of the communities.

The list includes: Bendersville, \$810.50; Arendtsville, \$781.63; Biglerville, \$962; Tyrone Twp., \$2,017.11, and Menallen, \$2,234.88.

The board accepted the teacher's committee report which requested that Mrs. Jane Sanni, Biglerville borough officer, be engaged as truant officer. She will work on an hourly basis and the school will be billed by the borough for her services.

FINANCE TWO ROOMS

The finance committee also reported that the financing of two rooms at the Bendersville Elementary School will probably have to be done locally.

The milk contract for 1961-1962 was given to Penn Dairies.

The board transferred \$136.50 from the "other expenses" fund to the fund for teachers' institute and workshop. This was done in accordance with a state law.

Discussion during the evening centered on the annual high school awards. There was no board action. The next meeting will be held July 10, due to the July 4 holiday.

ANNUAL MEETING

The annual meeting of the Huntington Friends will be held next Sunday afternoon at 2:30 o'clock when Clarence and Mildred Platt of the Stoney Run Friends' Meeting will attend. Regular meetings each Sunday afternoon at 2:30 o'clock will begin Sunday for the summer.

WILL SPEED UP CODIFICATION OF ORDINANCES

Gettysburg borough council Monday evening authorized more money to speed codification of the town's ordinances after two questions arose concerning the meaning of ordinances.

The second question pertained to a gasoline station in the first block from the square; the first was raised by contractor Allen McDonnell, who installed a bay window at a Baltimore St. residence and now may have to remove it McDonnell and Burgess Wilbur L. Plank were agreed that what appears as a 1911 borough ordinance in a book printed by the town says one thing while an ordinance in the town's original ordinance book apparently says another because part of the ordinance is crossed out. The question is whether the part was crossed out because the council repealed part of the ordinance or whether someone did it while doodling with a pencil.

Council indicated it will not change the ordinance against bay windows.

SPRAYING MOSQUITOS

Attorney John Thrush, chairman of the ordinance committee, said he has two typists typing the ordinances in the minute books and those found elsewhere dating back to 1806. He said the work could be hurried if additional typists could be secured. Council authorized more money to engage additional typists.

Councilman Clyde DeHaas reported the town's new mosquito spraying machine has arrived and is in use.

DeHaas also asked "how the borough, recreation board and firemen can get together to put one electric light pole on Recreation Field." Councilman Philip Jones answered that the problem is being worked out with the Metropolitan Edison Co. by which the light company will be given a limited right of way, cancellable whenever the contract for light is cancelled. The problem of the right of way had stopped plans to place the pole, he said, "but it is being worked out."

The pole is to provide power for the dining hall constructed by the firemen at Recreation Park.

MORE "RIDERS" GO TO JACKSON

By THE ASSOCIATED PRESS

Seven more "Freedom Riders" headed for Jackson, Miss., by bus today and others planned new moves by air to test Mississippi segregation laws despite threats of stiffer punishment.

Five white persons and two Negroes left New Orleans by bus at 6:25 a.m. today and were due in Jackson at 11:25 a.m. (CST).

Newell Weber of East Orange, N.J., spokesman for the group, said they expected to be arrested in Jackson and would serve out their fines in the city or county jail.

The first fly-in to check on segregation at the Jackson airport was expected to arrive from St. Louis, Mo., Wednesday.

Plans were announced for students from a half-dozen cities to leave Louisville, Ky., early next week for Freedom Rides to several southern cities.

Thirteen more riders were convicted in Jackson Monday raising the total to 85 since the first wave arrived May 24.

None has been charged with violating segregation laws. All were fined \$200 and given 60-day suspended sentences on breach of peace charges. The maximum penalty on that charge is a \$200 fine and four months in jail.

City Attorney Jack Travis said he would demand penalties for future riders and added that other charges might be filed against them.

Teachers Attend State Convention

The Omega chapter of Delta Kappa Gamma, an international society for women teachers, was in charge of registration at the 24th annual state convention at the Community Building and Cocoa Inn in Hershey Friday, Saturday and Sunday.

As president of the chapter, Miss Jean Biggs, a teacher at Keefeauver School here, served as registration chairman. Those from this area attending the convention and serving on the registration committee were Miss Alice Snyder, Miss LeOra Held, Miss Eva Jane Schwartz, Mrs. Amy Gorman, Mrs. Eleanor Wetzel, Mrs. Hilda Diehl and Miss Biggs.

Attorney General Anne S. Alperin and Mrs. Rebecca Moore, president of the Congress of Parents and Teachers, were received as state honorary members of Delta Kappa Gamma.

Mrs. Gladys Johnson, international treasurer of the society, and Dr. Carolyn Guss, Northeast Regional director, were the key speakers. Mrs. Johnson spoke of "Our International Organization, Its Structure and Status." Dr. Guss spoke at the rose banquet in the Community Club and her theme was "No Man Is An Island."

1948 Class Holds Reunion Saturday

The class of 1948 of Gettysburg College held its reunion Saturday evening at the Hotel Gettysburg with Robert Rauschenberger giving an illustrated lecture on his South Seas tour.

Officers elected were: President, J. W. Keller, Waynesboro; vice president, Paul Lubbe, Baltimore; secretary, Rene Plasket, Salem, N. J.; treasurer, Robert Rauschenberger, Washington, D. C.; class agent, Richard Snyder, and representative to the alumni council, Robert Janko. Seventeen persons attended.

Jack Wetzel, Harvey Smith, David Babylon and Martin Eberhart were appointed to make the arrangements for the 15th reunion in two years. The class of '48 is the only class which has met every year since graduation.

Bethel Mennonite Will Open School

The annual summer Bible School sponsored by the Bethel Mennonite Church, Gettysburg-Biglerville Rd., is scheduled to begin Monday, June 12. The school will be conducted each morning for two weeks, Monday through Friday, from 8:30 to 11:30 a.m.

Solicitation for pupils for this Bible School is in progress by members of the Bethel Church this week. Anyone not contacted who would like to enroll their children may call the superintendent, Rev. John Rudy, Biglerville 17-J, or the assistant superintendent, Earl Schmidt, Biglerville 107-M. Transportation will be provided for all boys and girls who need it.

Classes are planned for all ages from nursery, age 4, through other preschool ages, the grades and up through high school Grade 10. The many features of the program include a continued missionary story, part singing, a contest and a recreational period. The school is intended to be Christ-centered in purpose and Bible-centered in content.

The Bethel Summer Bible School is open to all boys and girls in the Gettysburg-Biglerville vicinity. Attendance last year reached a record 162.

The bride-elect is a Senior at Shippensburg State College where she is majoring in elementary education. Her fiancé, a Senior at Gettysburg College, is a mathematics major.

PUTMAN OPENS

(Continued From Page 1)

other Lutheran synods. Dr. Putman said today that many Lutherans are not completely satisfied with all details of the merger plan but regard it as the best available at this time. There is hope that other details can be "smoothed out" in future negotiations.

If the merger takes place it will be effective January 1, 1963, and the new body will be known as "The Lutheran Church in America."

This morning 606 delegates, 324 clergymen and 282 laymen, were registered for the synod sessions. Two of this morning's highlights were the presentation of the report of the president of synod and the other was the report of the Rev. Dr. Ralph C. Robinson, secretary of benevolence promotion.

YEAR OF ADVANCEMENT

President Putman's report described the last year as "one of advancement notwithstanding marked economic recession in some areas." He said the United Lutheran Church apportionment and the Lutheran World Action commitments had been met in full as had the capital funds commitments to Pennsylvania State University and Susquehanna University. He said that \$71,500 has been applied toward the \$700,000 goal accepted by the synod for Gettysburg College.

He noted the synod fell short by \$100,000 on its funds for higher education. With regard to vacant parishes, the present situation is "not critical." The number of vacant churches ranged from 30 to 41 in the last year and now may be low 30. "The time is at hand," he said, "for the synod to consider new standards for pastors' salaries especially with regard to the mounting sums required for travel expenses."

SUGGESTS MINIMUM

He suggested that minimum conditions for a pastor include a base salary of \$4,500 (the current figure), plus a parsonage and all utilities, plus eight per cent payment toward pensions, plus at least half of the amount required by the pastor for traveling.

Dr. Robinson in his annual report said the stewardship effort in 1960 "has again been carried forward a few steps" as most congregations responded "loyally." He said the \$2,459,423 apportionment was \$170,833 in excess of the figure for 1959 and total benevolences in 1960 set a new high at \$3,013,309 which, he noted, was nearly 10 times the benevolences given by the synod in 1938, its first year.

CALLS FOR DEDICATION

"The years immediately ahead call all of us to renewed dedication and liberality in giving to responsible stewardship in the sight of God," his report said. In 1961, he said, \$33,019 more will be required than in 1960, or an increase of 13.5 per cent in benevolent giving if commitments are to be met in full. In 1960 the figure will be \$669,317 over the 1960 figure, or an increase of 27.2 per cent if all commitments are to be met in full, he said.

The synod sessions will end Thursday.

PRESBYTERIAN SYNOD TO MEET AT GROVE CITY

Close to 700 United Presbyterians will converge on Grove City College from June 12-15 to attend the 80th annual meeting of the Synod of Pennsylvania. Included in this number are 220 clergy and elder commissioners representing 15 presbyteries with an overall church membership of 342,000.

Arthur M. Gordon, an elder of the Lower Marsh Creek Presbyterian Church, has been elected as one of the commissioners to synod from the Carlisle Presbytery.

In addition to the regular business sessions of the synod held each day, the women's synodical society will meet and there will be a week-long planning conference for each of the major committees of synod.

The convening of the regular meeting of synod will be preceded by a special conference on General Mission Interpretation on Monday afternoon, with an address by Dr. William A. Morrison, secretary of the denomination's Board of Christian Education. The address will be followed by a member of small discussion groups dealing with various emphases contained in the address.

TO ELECT MODERATOR

The proceedings of synod will begin with the Sacrament of the Lord's Supper which will be held in Harbison Chapel with the retiring moderator, Dr. Morton G. Glise, Harrisburg, officiating. Dr. J. Stanley Harker, president of Grove City College, will welcome the commissioners and be host at a reception on Monday evening.

There will be the election of a new moderator to succeed Dr. Glise.

Dr. Robert Stephens, Summit, N. J., will be the devotional speaker. Formerly of Pittsburgh, Beaver Falls and Harrisburg, the Western Seminary graduate now serves as chairman of the denomination's division of evangelism in addition to his duties as senior minister on the staff of the Central Presbyterian Church, Summit.

Other speakers will include Dr. Kenneth Neigh, general secretary, Board of National Missions; Dr. John Coventry Smith, general secretary of the Commission on Ecumenical Mission and Relations; and Dr. Le-gan Pow, consultant in the Department of Interpretation Services for the Commission on Ecumenical Mission and Relations.

BAILED FOR HEARING

Ruth B. Adams, Waynesboro R. 2, posted \$500 bail before Justice of the Peace Anna E. Thompson on an assault and battery charge filed by her husband, George H. Adams, Gettysburg R. 3. Mrs. Thompson said a hearing will be held later.

BURY MRS. KANE

Funeral services for Mrs. Agnes Kane, 71, Taneytown, widow of Herman B. Kane, who died Thursday at the home of her son-in-law and daughter, Mr. and Mrs. William Stoner, Frederick, were held at the Robert E. Daily and Son Funeral Home, Frederick, Sunday with Rev. Russell Seabright officiating. Burial was in the Mt. Olivet Cemetery. Pallbearers were William F. Stoner, Marvin Wilt, Robert Dailey Jr., Elwood Whitmore and Robert Dailey Sr.

ommend to council that the burgess' account be audited monthly because of the amount of money the burgess is now collecting. Council President Glenn Guise decided, "This probably has some legal angles and I suggest the finance committee and Mr. Bulleit get together before we make any decision." Burgess Plank asked council what he should do about notices to lot owners that their weeds and grass must be cut. Council told the burgess to secure a "subcontractor" to cut the grass and then send the property owners bills for both the "subcontractors" and "supervision." Council also agreed that the town should have its own weeds cut before notifying other property owners. Borough Engineer LeRoy H. Wirebrenner said all borough owned property has been mowed.

Council approved a bill for \$5 for Clyde Klinefelter who did some work for the town in 1958, was given a check for \$5 and then, according to Wirebrenner, "he tossed the check in the glove compartment of his car, and forgot about it until the other day when he sold the car and cleaned out the glove compartment." He said the check had become unusable.

Council voted to turn over \$3,457 sent here by the state to the firemen's relief fund of the Gettysburg Fire Department. Wirebrenner reported plans to begin black topping Franklin St. on Wednesday and to paint white lines on the streets starting Thursday.

ASKS FOR FUNDS

The Planning Commission said it has not spent any money for three years and asked that council authorize \$1,500 for its use this year. Approval was given but the planning commission was asked to submit a budget before the beginning of the year in order to obtain funds. The letter from Commission Chairman Orville Orner stated that during the three-year period of fundless operation, such sums as needed were furnished by members of the commission.

Council appointed Mrs. Rebecca Schwenk as its representative at the Pennsylvania Association of Boroughs convention at Philadelphia and also authorized Burgess Plank to attend some of its sessions.

Plank recommended the promotion of Police Cpl. Daniel Miller to sergeant. The matter was turned over to the safety committee for recommendation next month.

Roy Zinn asked about a grade for a new sidewalk in front of his property, and also asked permission to run a drain through the sidewalk to permit drainage of a lot he owns. He also asked permission to remove a tree. Wirebrenner and Plank were directed to assist Zinn on the problems.

"SMITH ALLEY"

Mrs. Charles Held asked council to permit installation of a septic tank at the house she and her husband had built on Highland Ave., until such time as the borough sewer is constructed to the house. She said the septic tank would be put in only to permit their moving to the house now because of her husband's heart condition, and said that as soon as the sewer reaches the house, in about six weeks to two months, the septic tank will be abandoned. The matter was turned over to the health committee. Septic tanks are illegal by borough ordinance. However, Councilman Guise said he knows there are several in the Colt Park area.

An ordinance was adopted ordaining "Smith Alley" the 204-foot-long alley extending from Franklin St. to another alley, along the property of Mrs. Eva Pape and Ellis Smith.

Graduates

Philip E. Scott, son of Mr. and Mrs. E. Donald Scott, 529 Baltimore St., Gettysburg, graduated Sunday from the King's College, Briarcliff Manor, N. Y. He received a Bachelor of Science degree in Science-Biology.

During his four years at the school, he was a member of the band, orchestra, treasurer of the Ministerial Association, member of the Timothian Society, science club, bowling team and treasurer of his class in his Sophomore year and vice president in the Senior year.

Three Properties Are Transferred

Mr. and Mrs. Clarence F. McCurry, Straban Twp., sold a property in Straban Twp. for \$16,000 to Wilmer T. Sweetser, William L. Amoroso, Joseph H. Perna, and Henry M. Monroe, all of Washington, D. C.

Mr. and Mrs. John B. Baldauf, Hanover, sold a property in Abbotstown for \$4,000 to the St. John Evangelical Lutheran Church of that borough.

Mr. and Mrs. Thurman C. Inskip, Reading Twp., sold a property in that township for \$100 to Mr. and Mrs. Granville L. Inskip, Reading Twp.

\$10,000 will be expended to promote the proposed beautification of the town.

Donald Becker, chairman of the committee, said, "We have nothing against service stations or any other work that is planned; we only would like very much to have an opportunity to explain our plans for Campaign Gettysburg before construction begins." In signing the contract Monday night The Saturday Evening Post agreed to provide display materials, banners, books, etc., in connection with the proposed campaign and also will pay the cost for sketches drawn by Dr. Milton Osborne, professor of architecture at Pennsylvania State University, which contain suggestions for changing fronts of buildings to give an overall effect of beauty. The sketches are being prepared now for approximately 100 buildings in the first and second blocks from Lincoln Square. Included are all buildings in the first blocks and all business places in the second blocks. The sketches will be provided to the owners free of charge.

All are to be completed by September. Becker said persons planning construction now should notify him immediately and sketches can be drawn quickly to help them if they wish to follow the plan now.

Demonstration Day In County July 5

Adams County Demonstration Day will be held July 5 in the Biglerville Senior High School, Duane G. Duncan, assistant county agent, announced today.

Duncan said there will be two divisions: for those over 14 years old and who have completed one year of club work, a 15-minute demonstration; and those under 14 with less than one year's work, a five to 10-minute demonstration.

The first blue ribbon winner in each category of Division I will be eligible to compete in the district demonstration. Deadline for applications is July 3, he said.

Stevenson Pleased With First Visit

CARACAS, Venezuela (AP) —

Adlai E. Stevenson heads for Argentina today after a 48-hour visit to Venezuela's capital, first stop on his presidential mission to Latin America.

Although no agreements were sought on concrete problems, Stevenson made known he was pleased with the results.

For one thing, he was reported reassured by President Romulo Betancourt's continued firm stand against dictatorships in Latin America, of both the left and right complexion.

The chief U.S. delegate to the United Nations also was gratified by the warm personal reception he received in the city which played violently anti-U.S. feelings to Vice President Richard M. Nixon on three years ago.

Stevenson will see Argentine President Arturo Frondizi Wednesday. No special difficulties are anticipated in Argentina since relations between the United States and the Frondizi government are extremely cordial.

IN FEATURE ARTICLE

Sergeant Leonard M. Sites, formerly of Gettysburg, and brother of Mrs. Frank Wasko, Fairfield, was featured in a news article in a west coast publication May 12, according to word received here by Mrs. Wasko.

The article stated that Sites is a member of the instrumentation team which has the responsibility for installing the telemetry transmitter on the 1,500-mile Thor Missile (IRBM). "Highly skilled electronic specialists," the article stated, "they maintain and test the telemetry and missile destructive equipment installed on all Strategic Air Command missiles launched from Vandenberg Air Force Base, Calif."

Herb Hinojosa, who has been riding so well in Maryland this spring, had 43 winners during the Hialeah meeting last winter.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times
FIFTY YEARS AGO**School Board Reorganization:**
The annual reorganization meeting of the Gettysburg School Board took place on Monday evening when the following officers were elected: president, Calvin Hamilton; secretary, J. Harry Holtzworth; treasurer, Dr. E. H. Markley. This organization holds under the new school code, until after the election of an entire new board of five members in the fall after which reorganization again takes place.**Elected New Professors:** At the regular meeting of the Board of Trustees of the college this morning two new professors were elected. The salaries of the present professors were increased \$100 each. President Granville reported a large increase in the endowment and other business of importance was transacted.
Richard S. Kirby, of Port Chester, N. Y., was appointed to the Burton F. Blough professorship, of Civil Engineering, for the coming year. A sketch of Prof. Kirby has appeared in these columns.**Bank Cashier Made President:** Samuel M. Bushman, for the past thirty six years cashier of the First National Bank of Gettysburg, this morning resigned that position and was elected to succeed the late David G. Minter. J. Elmer Musselman, connected with the bank since 1884 was chosen to succeed Mr. Bushman as cashier. P. Ward Stallings, who resigned his position as clerk and Edgar L. Dearoff, was chosen to fill that position.**Prospects Good For Chautauqua:** The management of the Gettysburg chautauqua to be held here August 18 to 27 is greatly encouraged over the support being given the project in every way. A preliminary canvass indicates that the sale of tickets in Gettysburg alone will reach the \$400 mark and may go up to half a thousand, or fifty per cent of the total number necessary to insure the big event.

Almost no effort has been put forth to exploit the chautauqua in the county but that work will be taken up the latter part of this week. Prof. L. Dale Crunkilton has been secured to attend to the publicity campaign in Littlestown and vicinity and other agents are being secured by Robert E. Peterman who also had charge of the advertising soliciting Mr. Peterman met with a generous response on all sides in asking for advertising to be sent out in connection with chautauqua literature.

Seventy-ninth Commencement: The seventy-ninth commencement of Gettysburg College was held this morning in Brua Chapel when thirty-two Seniors received their diplomas. The old custom of having orations by ten members of the class has been done away with and instead, an address to the graduates was made by the Rev. Frederick H. Knobel, of New York City, a graduate in the class of 1893 whose subject was "The Age We Live In."**Council Will Issue Bonds:** At the regular monthly meeting of the town council Tuesday evening it was decided to issue \$8,000 and providing for necessary sewer extensions. The motion providing for this was made by Mr. Butt, seconded by Mr. Arpner and carried with a few dissenting votes.
The details of the bond issue have not been determined upon, the denomination of the bonds, the percent to be paid and the times for redemption, but this will be done later.**200 Couples Hold Annual Remarriage**

Today's Talk

LEARN TO IGNORE

I know many people who see too much. I am convinced that one of the fine arts is to ignore—a great deal.

If we are able to see into our own hearts and recognize great bundles of faults and whole acres of mistakes that we have made time and time again, then just consider the fact that there are others to whom these faults and mistakes must look very great indeed.

But just the minute I begin to see the beautiful traits in my friend, I notice his virtues begin to take on new lustre.

I am all the time trying to learn this very great art of seeing the good in my friend and ignoring the bad.

How quickly a particular pain or ailment seems to leave just the minute you start to ignore it. Even the tiny baby knows this. He finds that if he will but cry and make a fuss he will be given attention. But let him be ignored when he stabs his toe, or gets a little fall, and he forgets the imagined hurt almost at once.

Learn to ignore the hurts of the world. This is a big order—but if you want to be strong, able and convincing as a man or woman, it must be done.

It is a common thing to meet people who believe that there is little good in this world—that if they only had the chance they could make a much better world than this one God has made and given us as a playground for a while. But I notice that the busy, thinking person has no such idea. It's a great world for him—or there is much to do, and so little time in which to do it.

Learn to ignore. Life is a storehouse of beauty!

Tomorrow Mr. Adams will talk on the subject: "In Time"

Just Folks

UNCLE SAM—PILOT

Things are lookin' none to good, But let's keep on sawin' wood. Clouds appear a trifle thick, But if I was asked to pick Out a shelterin' place to stay Till the storm goes by, I'd say Let me be right where I am; I've got faith in Uncle Sam.

Right now far as I can see, There's no better place to be. Run the flags an' countries through An' the old Red, White an' Blue Seems more fitted for rough weather Than the rest o' them together. Nail this slogan up for me: Here is where I want to be.

Troubles? Sure we've got our share, But not more than we can bear; An' our cares ain't half so bad As the ones our fathers had. So, if they came through all right Looks to me as though we might. Anyhow, here's one who'll stick To the flag, though thin or thick.

DISTRICT VFW CONVENTION HELD SUNDAY

Approximately 200 veterans of the 21st District of the Veterans of Foreign Wars enjoyed a roast beef supper in connection with their annual convention meeting on Sunday with Mason-Dixon Memorial Post No. 6954, Littlestown, as the host group. Members of the local post auxiliary served the meal to the representatives of the 21 posts of the district from Gettysburg, East Berlin and Littlestown in Adams County; Waynesboro, Chambersburg, Mercersburg and Greencastle in Franklin County; Elletts, York, Red Lion, Mt. Wolf, Hanover, Spring Grove, Dillsburg, New Freedom, Hellam, Stewartstown, Delta, Fawn Grove, Dover and West York Memorial Post, York County.

Nomination and election of officers was included on the agenda and Eugene Stauffer of West York Memorial Post No. 8951 was elected district commander, succeeding Charles F. Bridger of the host post, who will continue in office up to the time of the state convention in Pittsburgh on July 16. Other officers elected include Earl Moser, Waynesboro, senior vice commander; Paul Kopp, East Berlin, junior vice commander; William Shuman, Greencastle, chaplain; Richard Kreidler, Stewartstown, judge advocate; Luther Riffe, York, quartermaster; Dr. Charles F. Hawkins, Spring Grove, surgeon; Edgar W. Wisotzky, Littlestown; George McGraw, New Freedom; and Leroy Crist, Greencastle, trustees.

The new officers were installed by Nelson McCloskey, York, department commander. Included in the annual reports was the fact that an allocation from the department of \$5,000 was given to Scotland School for athletic equipment. This was a portion of the funds received from the sale of Christmas seals sponsored by the VFW. It was also noted that 49 students were graduated at high school level from Scotland, a school sponsored by the 21st District. Most of these students received awards from the VFW.

The annual district sponsored Scotland School picnic was scheduled for July 29 at Cold Spring Park, Waynesboro.

RECEPTION SUNDAY
A reception for the catechumens and all others who joined St. Paul's Lutheran Church within the past two years was held on Sunday evening in the church social hall. The affair was in charge of the Young-Women's Bible Class and Mrs. Carroll E. Arter, class teacher, presided. A solo was sung by Beverly Hess, accompanied by her sister, Linda, and the program also included a piano solo, Linda Hess; film shown on Wittenberg College; remarks, Rev. Lawrence H. Roller, pastor. Refreshments were served by the hostess class. The program was arranged by Mrs. Bernard Hess and Mrs. Thomas E. Craig and the refreshment committee consisted of Mrs. Harry L. Snyder, Mrs. Robert R. Reiman and Mrs. Donald B. Kump.The June session of the council of St. Paul's Church will be held Wednesday evening at 8 o'clock at the church.

Two Injured In Helicopter Crash

BROWNSVILLE, Pa. (AP)—The pilot and co-pilot were injured Sunday when their Pennsylvania National Guard helicopter crashed on a fog-covered hill near here.

The pilot, 1st Lt. John Murphy of Sewickley, was treated at Brownsville General Hospital then released.

The co-pilot, Sgt. 1/C. Louis West of Washington, Pa. R. 6, was treated at the hospital then transferred to Washington (Pa.) Hospital.

West, pinned in the wreckage more than an hour, suffered injuries to his forehead, shoulder, hip and neck.

SOPHIA LOREN GIVES RECIPE FOR TENSION

By HAL BOYLE
NEW YORK (AP)—Sophia Loren has a two-word recipe for avoiding nervous tension: "Please yourself."

The onetime waif of Naples in less than a decade worked her way up from modeling to become one of the world's busiest as well as most beautiful actresses.

Sophia took me to lunch the other day during a break in the task of dubbing in English dialogue for her 30th film.

"I have the philosophy of a peasant," she said. "Take it easy—everything is going to be all right."

Lunching with Miss Loren is more of a treat than going to see her in a movie.

HALF-PANTHER, GAZELLE

Sophia showed up in an pink sheath dress. Her enormous green eyes flecked with gold, gave her a strange look—as if she were half-panther, half-gazelle.

Gazing out a 48th floor window at all the new buildings rising in mid-Manhattan she exclaimed: "It must get tired—holding up so many, many tall buildings. Aren't you afraid some day it will all sink?"

Walters fluttered up, cooing solicitously in several languages. "I love to eat," said Sophia. "It's my only pleasure while working. I like any food that is spicy and full of sauce."

Chattering charmingly, she went from an appetizer through a small plate of sliced tongue and ham, a dish of kidney stew, potatoes and vegetables, two glasses of red wine, two bread rolls, then wound up with a big slice of cake topped with whipped cream.

She is a tall girl with a lot of lovely body to fuel, and so far she doesn't have to worry about gaining weight. It's a real pleasure to eat with a woman like that—particularly if you go as a guest.

"There are some people who add up their calories as they eat," she murmured. "I prefer to add up the number of dishes."
Sophia doesn't feel that success has changed her much since the childhood days when she felt herself to be a thin and gawky ugly duckling. She is poised, friendly, and completely self-possessed.

"I'm very strong. I have always tried to keep myself as naive and innocent as possible," she said.

"But I like to work hard, and don't believe in drifting. I never liked to be taken by the routine of life—or to become tense and nervous."

"It is a hard thing to do, but I try to look at things in a relaxed way."

"I think you get tense only by doing things you don't really want to do. So I please myself. I do only the things that please and interest me. Why not? When I get tired, I'll stop."

A covered dish supper will be held in connection with the first

DAILY BIBLE SCHOOL OPENS FOR 248 PUPILS

The annual Daily Vacation Bible School with the two-week sessions began on Monday morning in the Rolling Acres Elementary School with an enrollment of 248 children. Sessions will continue daily from 9 to 11:15 a.m. The pre-school groups will have devotions daily in their own rooms and the school age children will meet in the all purpose room each morning for group devotions. A closing program will be held on Friday, June 16.

The enrollment is divided as follows: Nursery one, 25, Mrs. Luther W. Ritter, teacher, Carol Jeanne Yealy, Patricia Myers, Kay Morehead, Linda Hess and Mrs. Kenneth Shanbrook, assistants; nursery two, 17, Mrs. Andrew Gregg, teacher, Yada Gregg, Linda Harner, Linda Sentz and Linda Bittle, assistants; beginners, 35, Mrs. Robert H. Miller, teacher, Mrs. Loretta Bixler, Mrs. Patsy Crouse, Brenda Hollinger, Mary Jane Harmon, Marilyn Miller, Ellen Miller, Connie Bair, Joann Cookson and Ronald Ruggles, assistants; primary one, 25, Mrs. George Shultz Jr., teacher, Jo Ann Beamer, Darlene Barnes, Phyllis Wallick and Sally Bigelow, assistants; primary two, 25, the Rev. Glenn Flinchbaugh, teacher, Judy Knight, Judy Flinchbaugh and Sharon Flinchbaugh, assistants; primary three, 31, the Rev. William C. Karna, teacher, Melinda Karna, Bonnie Greene and James Strevig, junior one, 37, Mrs. John Chatlos, teacher, Joyce Knight, Judy Rimel and Shirley Myers, assistants; junior two, 33, the Rev. G. Howard Koons, teacher, Nancy R. Koons and Mary Lou Miller, assistants; junior three, 20, the Rev. John C. Chatlos, teacher, Dianne Yealy and Sidney Ferris, assistants.

The Rev. William R. Jones, pastor of Centenary Methodist Church, is supervisor and chorister for the school. Donna Rabenstein is serving as pianist. Evelyn Koons is secretary and Steve Basehoar, Thomas Stavelly and Terry Arbogast, helpers.

Victoria Lynn McDermott, infant daughter of Robert W. and Lorraine R. (Funk) McDermott, Littlestown R. 1, who was born May 18 in Hanover, was baptized on Sunday morning in St. Aloysius Catholic Church by the pastor, the Rev. Dr. John E. Metz. Baptismal sponsors were Mr. and Mrs. Robert F. Murren. Present for the baptism were the child's paternal grandparents, Mr. and Mrs. Robert McDermott, Philadelphia.

MYF MEETING

The Methodist Youth Fellowship of Centenary Church held the final gathering of the season on Sunday afternoon. The group enjoyed a swimming party at Meadowview Park, Union Mills, and then returned to the home of Mr. and Mrs. Chester S. Byers and family, E. Myrtle St., for a barbecue. Attending were Yada Gregg, Judy Knight, Judy Rimel, Grace Lunsford, Susie Furlow, Darlene Barnes, Linda Harner, Dianne Byers, David Byers, Robert Smith and Joyce Knight, the Rev. and Mrs. William R. Jones, and the adult leaders, Mrs. Estella Furlow, Mrs. Marian Crist and Mr. and Mrs. Byers. The next regular meeting of the MYF will be held in the fall.

A covered dish supper will be held in connection with the first

Cincinnati Reds Regain Top Spot As Phils Beat Giants; Bucs Defeat LA

By ED WILKS

The Pittsburgh Pirates, with Vern Law winning his first in more than a month, defeated Los Angeles 5-2 and knocked the Dodgers out of the National League lead Monday night. Cincinnati regained first place, by a half game, with a 5-3 victory over Milwaukee.

Last place Philadelphia dropped San Francisco to third, 3-2, and St. Louis outslugged the Chicago Cubs 10-8.

Law, bothered by a sore shoulder and home runs, avoided both troubles at Los Angeles. He gave up eight hits and blew a 2-0 lead, but then singled home the tie-breaker in the sixth against losing reliever Ron Perranoski (3-1) before giving way for a pinch-hitter, Elroy Face then saved it, with two-innings of one-hit, shut-out relief. Bill Mazeroski and Smokey Burgess homered for the Pirates, who collected 13 hits.

BEAT BURDETTE

The Reds came from behind and beat Lew Burdette (4-5) with a three-run eighth inning on homers by Frank Robinson and Jerry Lynch. Robinson singled and Lynch doubled as they scored Cincinnati's first two in the second inning on a single by Gordie Coleman after the Braves had counted three in the first on home runs by Ed Mathews and Joe Adcock. Joey Jay, a former Brave, worked the first seven innings, blanking Milwaukee on one hit over the last six. Jim Brosnan (2-1) then won it in relief, with help from Bill Henry in the ninth.

A six-run seventh inning, triggered by Carl Sawatski's two-run homer and capped by Bill White's grand slam, brought the Cardinals from behind Maury McCormick, gaining his first NL decision, was the winner in relief. Ed Bouchee and Ernie Banks homered for the Cubs. The losing pitcher was reliever Joe Schaffernoth (0-3).

Robin Roberts, who had lost his first seven decisions, beat the Giants with a sixth-hit job. Chuck Hiller hit a two-run homer for San Francisco in the second inning, but then put the tying run on base with an error ahead of Pancho Herrera's winning third-run homer in the third. Mike McCormick (5-5) was the loser, dropping his third in a row.

Joey Jay Named Player Of Month

CINCINNATI (AP) — Joey Jay, king of May, found June out of tune for a few moments Monday night.

The Cincinnati Reds pitcher won six games without a defeat last month, and Monday was named the National League's player of the month for May.

Came his first June start Monday and in the first inning, his old Milwaukee teammates Ed Mathews and Joe Adcock slammed Jay's offerings for home runs among four hits that got the Braves off to a 3-0 lead.

But Joey got back in gear then and yielded just one hit and no runs over the next six innings. The Reds eventually won 5-3 but Jay left for a pinch hitter in the seventh with his side still trailing.

In May, he worked 50 innings and allowed 32 hits while walking 14. His earned run average was 2.70 and he struck out 38 batters.

See Track License In Western County

HARRISBURG (AP) — Washington County, whose voters gave their approval to permit harness race betting, stands a good chance of getting a license, the three Pennsylvania's harness racing commissioners have indicated.

Also, at their meeting Monday, the commissioners fixed Aug. 1 as the new deadline for groups to apply for licenses, lifting the previous Jan. 31 deadline so a track group from Washington County could apply.

Commissioners Edward Kane of Newtown Square and Martin Cusick of Sharpesville said in separate interviews they thought a track in western Pennsylvania could prove to be a paying proposition.

Chairman L. G. Sheppard of Hanover had said previously he favored giving a license to a Washington County track.

A Washington County organization headed by Del Miller of Meadow Lands has submitted a notice of intent to set up a track in the county.

HARRISBURG (AP) — Lock Haven High's Bill Bowles will appear with the West squad in the Big 33 East-West football game July 29 at Hershey Stadium.

Bowles was named over the weekend to replace another Lock Haven back, Bud Vost, who had to withdraw from the game in order to attend summer courses at Pennsylvania State University.

Both boys are slated to enter Penn State next fall.

The unbeaten Eagles chalked up their third straight victory Monday evening as they pounded out 11 hits to down the Phillips 66 outfit 15-6.

Junie Wirt's squad was paced by three hits by Fairman, and two each by Griener, Schleicher and Giberson. Charley Schleicher started a nine-run rally in the top of the fifth inning with a home run after one was out and thereafter the Eagles breezed through comfortably. Schleicher allowed Phillips but two hits until the seventh.

With two outs in the last inning Curt Eckert's Phillips team put on a five-run rally. Britcher walked and Weikert singled to right. Bream followed with another hit to admit both runners. Riley was safe on an error and Lutz doubled to right center. Bream and Riley scoring. Harman followed with a hit to score Lutz before the final out was made.

With one out and Lee Walls on first, Ken Walters hit a grounder to third. Hiller dropped Harvey Kuenn's force attempt at second for an error and Herrera followed with his homer.

Roberts had to bear down all the way. Double plays helped him after the Giants led off the fourth and fifth with singles. Felipe Alou led off the Giants' sixth with a double but was standing on third three outs later.

FINISHES WITH GRIN

Willie McCovey singled and Ed Bailey walked in the ninth but Robin Amaro nabbed Kuenn's bouncer up the middle for the final out after Roberts fell on his face leaping for it.

"Robby would have eaten a yard of turf to get that one," said Mauch.

He turned to Roberts and said: "C'mon, young fellow. It's about time you were taking a shower."

Roberts grinned and started taking off his uniform.

The Moose nipped the Elks 10-9 Monday evening to push their victory into the cellar. It was the first victory for the Moose and fourth straight loss for the Elks.

Baker sparked the winners with two hits and a pair of fine fielding plays. Hartman and Whittinghill each rapped two hits, with the former driving in three runs. Whittinghill and Hinkle also contributed nice plays in the field.

Maitland led the Elks' attack with a double and home run, driving in three runs.

"I just hope I can pitch it out," he said.

But Pirate Manager Danny Murtaugh was not at all dismayed. "I would have been encouraged whether he'd won or lost," Murtaugh said. "We need him sound to contend with the rest of the league, and this is the best he's looked since the arm started bothering him."

"The true test will come in a couple of days, when he goes out to arm up. We'll see how it feels then."

The victory was Law's first since April 29, when he beat Cincinnati. He's now 2-4.

He lost a 2-0 lead in the fifth inning, when the Dodgers scored twice on four hits, but broke the tie himself with a single in the sixth.

Elroy Face worked the last two innings for the Pirates and allowed only one hit, Perranoski took the loss, his first in four decisions.

ATLANTIC CITY, N.J. (AP) — Harold Johnson, the National Boxing Association light heavyweight champion, says he is after Floyd Patterson's heavyweight crown.

Johnson, of Philadelphia, signed a contract Monday to fight Eddie Machen, ranked as the No. 2 heavyweight contender by the NBA, in a nationally televised bout in Atlantic City's Convention Hall on July 1.

ROBERTS HAD "HUNCH" HE HAD A WINNER

SAN FRANCISCO (AP) — "I had a hunch I was gonna win one," said Robin Roberts, "but I was starting to wonder when."

The 34-year-old right-hander collected his first 1961 victory Monday as the Philadelphia Phils beat San Francisco 3-2, dropping the Giants to third place in the National League.

Roberts had lost seven decisions before his triumph and he savored the victory quietly and thoughtfully. You would have thought it was the seventh game of the World Series.

In a way, for the last-place Phils, it was.

"We didn't get him many runs," Manager Gene Mauch said, "but none of the Philadelphia pitchers get many runs to work with. Whenever we win, it's a big one."

Roberts and southpaw Mike McCormick of the Giants each allowed six hits. McCormick, the loser, has a 5-5 record and has lost four of his last five decisions.

The Giants took a 2-0 lead on rookie Charlie Hiller's two-run homer in the second inning.

The Phils got all their runs in the next frame when Pancho Herrera pounded a fast ball on a 1-2 pitch into the left field seats for a three-run homer.

With one out and Lee Walls on first, Ken Walters hit a grounder to third. Hiller dropped Harvey Kuenn's force attempt at second for an error and Herrera followed with his homer.

Big League And Church Loops To Open

Two more local baseball leagues are scheduled to open their seasons this evening. The three-member Big League campaign will start when the VFW opposes the Coldsmith Roofers at 6:15 o'clock. The Varsity Diner, third member of the league, opens against the VFW Wednesday evening.

The Church Slow Pitch Softball League gets started with a doubleheader. St. James meeting the Foursquare Gospel outfit at 7 o'clock with Grace Lutheran opposing the Presbyterian squad under the lights. Other league members are the Methodist and St. Francis Church teams who clash in Thursday evening's opener.

MOORE READIES FOR BIG MATCH

By ED CORRIGAN
Associated Press Sports Writer
MONTICELLO, N.Y. (AP) — Archie Moore, the venerable king of the light heavyweights, announced today that he was ready to encounter any style Giulio Rinaldi employs in their title bout in New York Saturday night.

"Let's say," quipped Archie, who is 44 years old by his reckoning but 47 by his m's, "that I will ad lib this one. Whatever Rinaldi does I expect to do something better."

Rinaldi, who decided Archie in Italy earlier in the year, has made no secret of his plans. He intends to push the Methuselah of the division, keep him off balance and stay away from his right.

"Hmmm," mused Archie, rubbing his goatee, "the last time we fought Giulio was not particularly aggressive and he didn't crowd much."

"But it really doesn't make any difference. I am completely prepared against such tactics. I am also prepared if Rinaldi tries to do something different."

There had been rumors that Archie would have trouble making the 175-pound limit. But he hopped on the scale and it showed 178 1/2.

4 AREA LADS ON TEACHERS' TENNIS TEAM

Four area lads have been playing tennis for Coach Stan Jenkins at Shippensburg State College for the past two seasons in compiling a record of 13 wins and two losses.

They are Sid Steinour, a Junior from Gettysburg, seeded number one; Tom Colgan, a Junior from McSherrystown, seeded number two; Elven Chronister Jr., a Senior from Littlestown, seeded number three, and Gene Bowser, a Senior from Hanover, seeded number six.

Colgan and Steinour teamed for number one doubles, Chronister and Slaybaugh teamed for number two doubles and Bowser and Tom Gray teamed for number three doubles.

Shippensburg reinstated tennis two years ago on an intercollegiate basis. Last year they were co-champs in the Pennsylvania State College league with California and Millersville. Even though they had a fine 8-1 record this spring they were in fourth place with a 4-1 record in league competition. The only loss suffered each season came at Millersville 8-1 last year and 5-4 this year. However both losses were later reversed in return matches at Shippensburg by 6-3 and 7-2 scores.

Shippensburg should be a contender for state honors again next year since Coach Jenkins is expecting two transfer students and several rookies to fill the positions left by Chronister and Bowser who are graduating.

MOORE READIES FOR BIG MATCH

By ED CORRIGAN
Associated Press Sports Writer
MONTICELLO, N.Y. (AP) — Archie Moore, the venerable king of the light heavyweights, announced today that he was ready to encounter any style Giulio Rinaldi employs in their title bout in New York Saturday night.

"Let's say," quipped Archie, who is 44 years old by his reckoning but 47 by his m's, "that I will ad lib this one. Whatever Rinaldi does I expect to do something better."

Rinaldi, who decided Archie in Italy earlier in the year, has made no secret of his plans. He intends to push the Methuselah of the division, keep him off balance and stay away from his right.

"Hmmm," mused Archie, rubbing his goatee, "the last time we fought Giulio was not particularly aggressive and he didn't crowd much."

"But it really doesn't make any difference. I am completely prepared against such tactics. I am also prepared if Rinaldi tries to do something different."

There had been rumors that Archie would have trouble making the 175-pound limit. But he hopped on the scale and it showed 178 1/2.

The Phillies kept up their unbeaten streak Monday evening by topping the Indians 8-2 in a seven-inning contest for their third straight win.

Preceding the game the official opening program of the league, rained out Saturday, was held.

A parade was held with members and managers of the six teams, league officials, JoAnn's Cadets, a twirling group, and the speaker, Rev. John E. Metz, pastor of St. Aloysius Catholic Church, participating.

Rev. Glenn Flinchbaugh, league president, opened the program at the field by noting this is the 10th year for Little League in Littlestown. He pointed out there are 135 boys participating on the six teams in the 45-game schedule.

Rev. Fr. Metz told the boys, "The important thing about Little League, or any other competitive sport, is not winning but knowing how to win and how to lose gracefully. When you win," he said, "win gracefully, and when you lose be a good sport, no sour grapes."

The flag-raising concluded the brief ceremonies with all of the several hundred players and fans joining in the pledge of allegiance.

SHEPARD SAYS VIBRATIONS FOGGED VISION

By VERN HAUGLAND
WASHINGTON (AP) — Astronaut Alan Shepard disclosed today that rocket vibration fogged his vision briefly in the early part of his historic 15-minute space flight a month ago. But he said just about everything else went well.

Shepard said that as the result of his difficulty, some changes have been ordered in the Mercury capsule design to reduce vibration during the crucial moments just after launching.

Shepard made the observation in a paper prepared for delivery to 300 physicians and research scientists at a conference on the medical results of the first U.S. manned suborbital space flight last May 5. He rocketed to an altitude of 116.5 miles before landing in the ocean 302 miles from the Cape Canaveral, Fla., launching site.

DURING ACCELERATION

Shepard said the roughest part of the flight came as the rocket accelerated through the speed of sound and then passed through the point of maximum dynamic pressure. That was the point at which the Redstone rocket and the capsule it carried were subjected to the most severe combination of acceleration forces and atmosphere resistance.

"These events occurred very close together on the flight, and there was general vibration associated with them," Shepard said.

"At one point my head vibration was such that my vision was blurred for a few seconds."

ONLY DIFFICULTY

"We intend to avoid a recurrence of this experience by providing more foam rubber for the head support and improving the space craft adapter ring."

Shepard said he had no other difficulty during the powered flight and found no problem in breathing, seeing, or reporting to the ground.

Shepard added that:

1. The water landing was no more severe than the catapulting of a plane from a carrier deck.
2. The so-called debriefing conducted during his two-day stay at Grand Bahama Island, after the flight, was useful and will be profitable for future flights.
3. The five minutes of weightlessness was similar to floating and did not affect movements, speech or breathing.
4. The capsule periscope not

Seek Two Men In Robbery Of Bank

TAMPA, Fla. (AP)—Two men, described as professional artists, were sought today on charges of robbing the National Bank of Tampa of \$41,000 Memorial Day.

The FBI said the men should be considered dangerous. Agents identified them as 33-year-old Franklin Everett Parramore, from Chester, Pa., and 44-year-old Clarence N. Higgins of Memphis, Tenn.

Higgins' wife, Victoria, 31, was arrested at her Lake Allen home Sunday and charged as a material witness.

PAST HEAD OF ASNE EXPIRES

LOUISVILLE, Ky. (AP) — The past president of the American Society of Newspaper Editors and the dean of Kentucky's newspapermen, Tom Wallace, is dead at the age of 86.

The editor emeritus of the Louisville Times, died Monday at his home. He was a former president of the Inter-American Press Association and an honorary life president of the organization.

Wallace retired two years ago because of his health, ending a career that started when he was 26 years old and working as a police reporter without pay for the Times.

NO LONGER THAN PENCIL

He put in successful stints with the Louisville Dispatch, the Louisville Evening Post, Louisville Herald, and St. Louis Republic before returning to the Times.

Henry Watterson invited Wallace, at the age of 31, to become the youngest member of the Courier-Journal editorial staff. Wallace later took over the Times editorial page and was its chief until he became Times editor seven years later.

He wrote most of the Times editorials, using the formula: "No editorial should be longer than a pencil."

SCRIBE LISTS COMMERCIALS SHE'D WIPE OUT

By CYNTHIA LOWRY
AP TV-Radio Writer

NEW YORK (AP)—It would be really nice if some of the season's commercials were heading for oblivion along with all those network entertainment programs which won't be back next fall.

Every viewer has his own candidates for extinction, but I could manage to struggle along without:

The jolly demonstration of a wash-day product involving two small boys heaving chocolate pies at a clean table cloth and mopping up with dainty towels a floor covered by a nauseous mess of gravy, soup and sauce.

OTHER OFFENDERS

The rude, aggressively snooty neighbor who walks into the housewife's kitchen and proceeds to order her to use a certain soap.

The "scientific machines" that demonstrate how fast pills dissolve, how a woman can breathe out of only one nostril and how bad an onion smells.

The couples, obviously madly in love with each other, who spend their precious time together sentimentally describing how mild and satisfying their cigarettes are.

TO COMPLETE THE LIST

The announcers with authoritative "doctor voices" prescribing reducing aids or headache pills.

The athletes attributing all their skill and vitality to one brand of bread or cereal.

Those filthy sinks that the scouring powder cleans without even scrubbing.

DOUBLE ATTRACTIONS

Dave Garroway obviously is going to leave NBC's "Today Show," as he requested, but the date of departure is still up in the air. Garroway was planning to take things easy this summer by taping a couple of shows one day each week anyway.

John Daly is considered the most logical replacement, but network officials say that a number of names have been submitted for consideration.

Recommended tonight: "Summer on Ice," NBC, 10-11 (EDT) — skating show with Peter Lawford and Peggy Lee; Garry Moore Show, CBS, 10-11 — with guest stars Alan King, Eileen Farrell and the Jonah Jones Quartet.

Want Johnson To Help Integration

NEW YORK (AP)—Vice President Lyndon B. Johnson has been challenged by two Republican senators to visit the South in an effort to aid integration.

Sens. Barry Goldwater of Arizona and Jacob K. Javits of New York said that Johnson's prestige in the South could effectively be used to help calm racial tensions.

The senators indicated such a trip might also serve as a public examination of the Texan's racial views.

"I was down South," Goldwater said. "I don't think he (Johnson)

TO REORGANIZE STATE DPI SAYS PA. GOVERNOR

HARRISBURG (AP) — The Lawrence administration said today it is planning a reorganization of the Department of Public Instruction along lines recommended by the governor's Committee on Education.

The plan will be submitted to the Executive Board for approval when it is completed, Gov. Lawrence wrote Rep. Edwin W. Tompkins, assistant House Republican floor leader.

The letter was in reply to Tompkins' May 25 request for the governor to specify which of the committee's recommendations will be put into effect by administration executive order.

Lawrence listed six other areas in which he said the administration has been acting to carry out the education unit's proposals without legislation. Spearheading the effort are Dr. Charles H. Boehm, superintendent of public instruction; Walter W. Giesey, executive secretary to Lawrence, and David Kurtzman, secretary of administration.

The governor told Tompkins the Steering Committee has been keeping him posted on what it is doing but said he was unable to give "a complete listing of all the matters which they have put into operation."

The reorganization of DPI was at the top of the list of things Lawrence detailed.

Among other things, the Education Committee recommended ap-

pointment of five deputy secretaries for instruction, research, school financial and administrative services, higher and teacher education, and professional licensing.

Boehm also has been conferring with state college officials about the committee's recommendation that these institutions be converted from teacher training to liberal arts colleges, Lawrence said.

Lawrence said the administration also had started a study to determine manpower problems to confront the state in the next decade; set up a committee to develop a state program for educational television; completed a study for regional film libraries; started work on appraising the need for new vocational education programs, and recommended use of standard-size classrooms in school construction.

Tompkins had submitted a resolution Monday asking the House to request Lawrence to specify what the administration is doing

and to estimate the cost of programs put into effect by executive order. He hadn't received Lawrence's letter at the time.

In a related development, Speaker H. G. Andrews, D-Camden, named a special eight-member committee of four Democrats and four Republicans to study bills submitted to implement the education report.

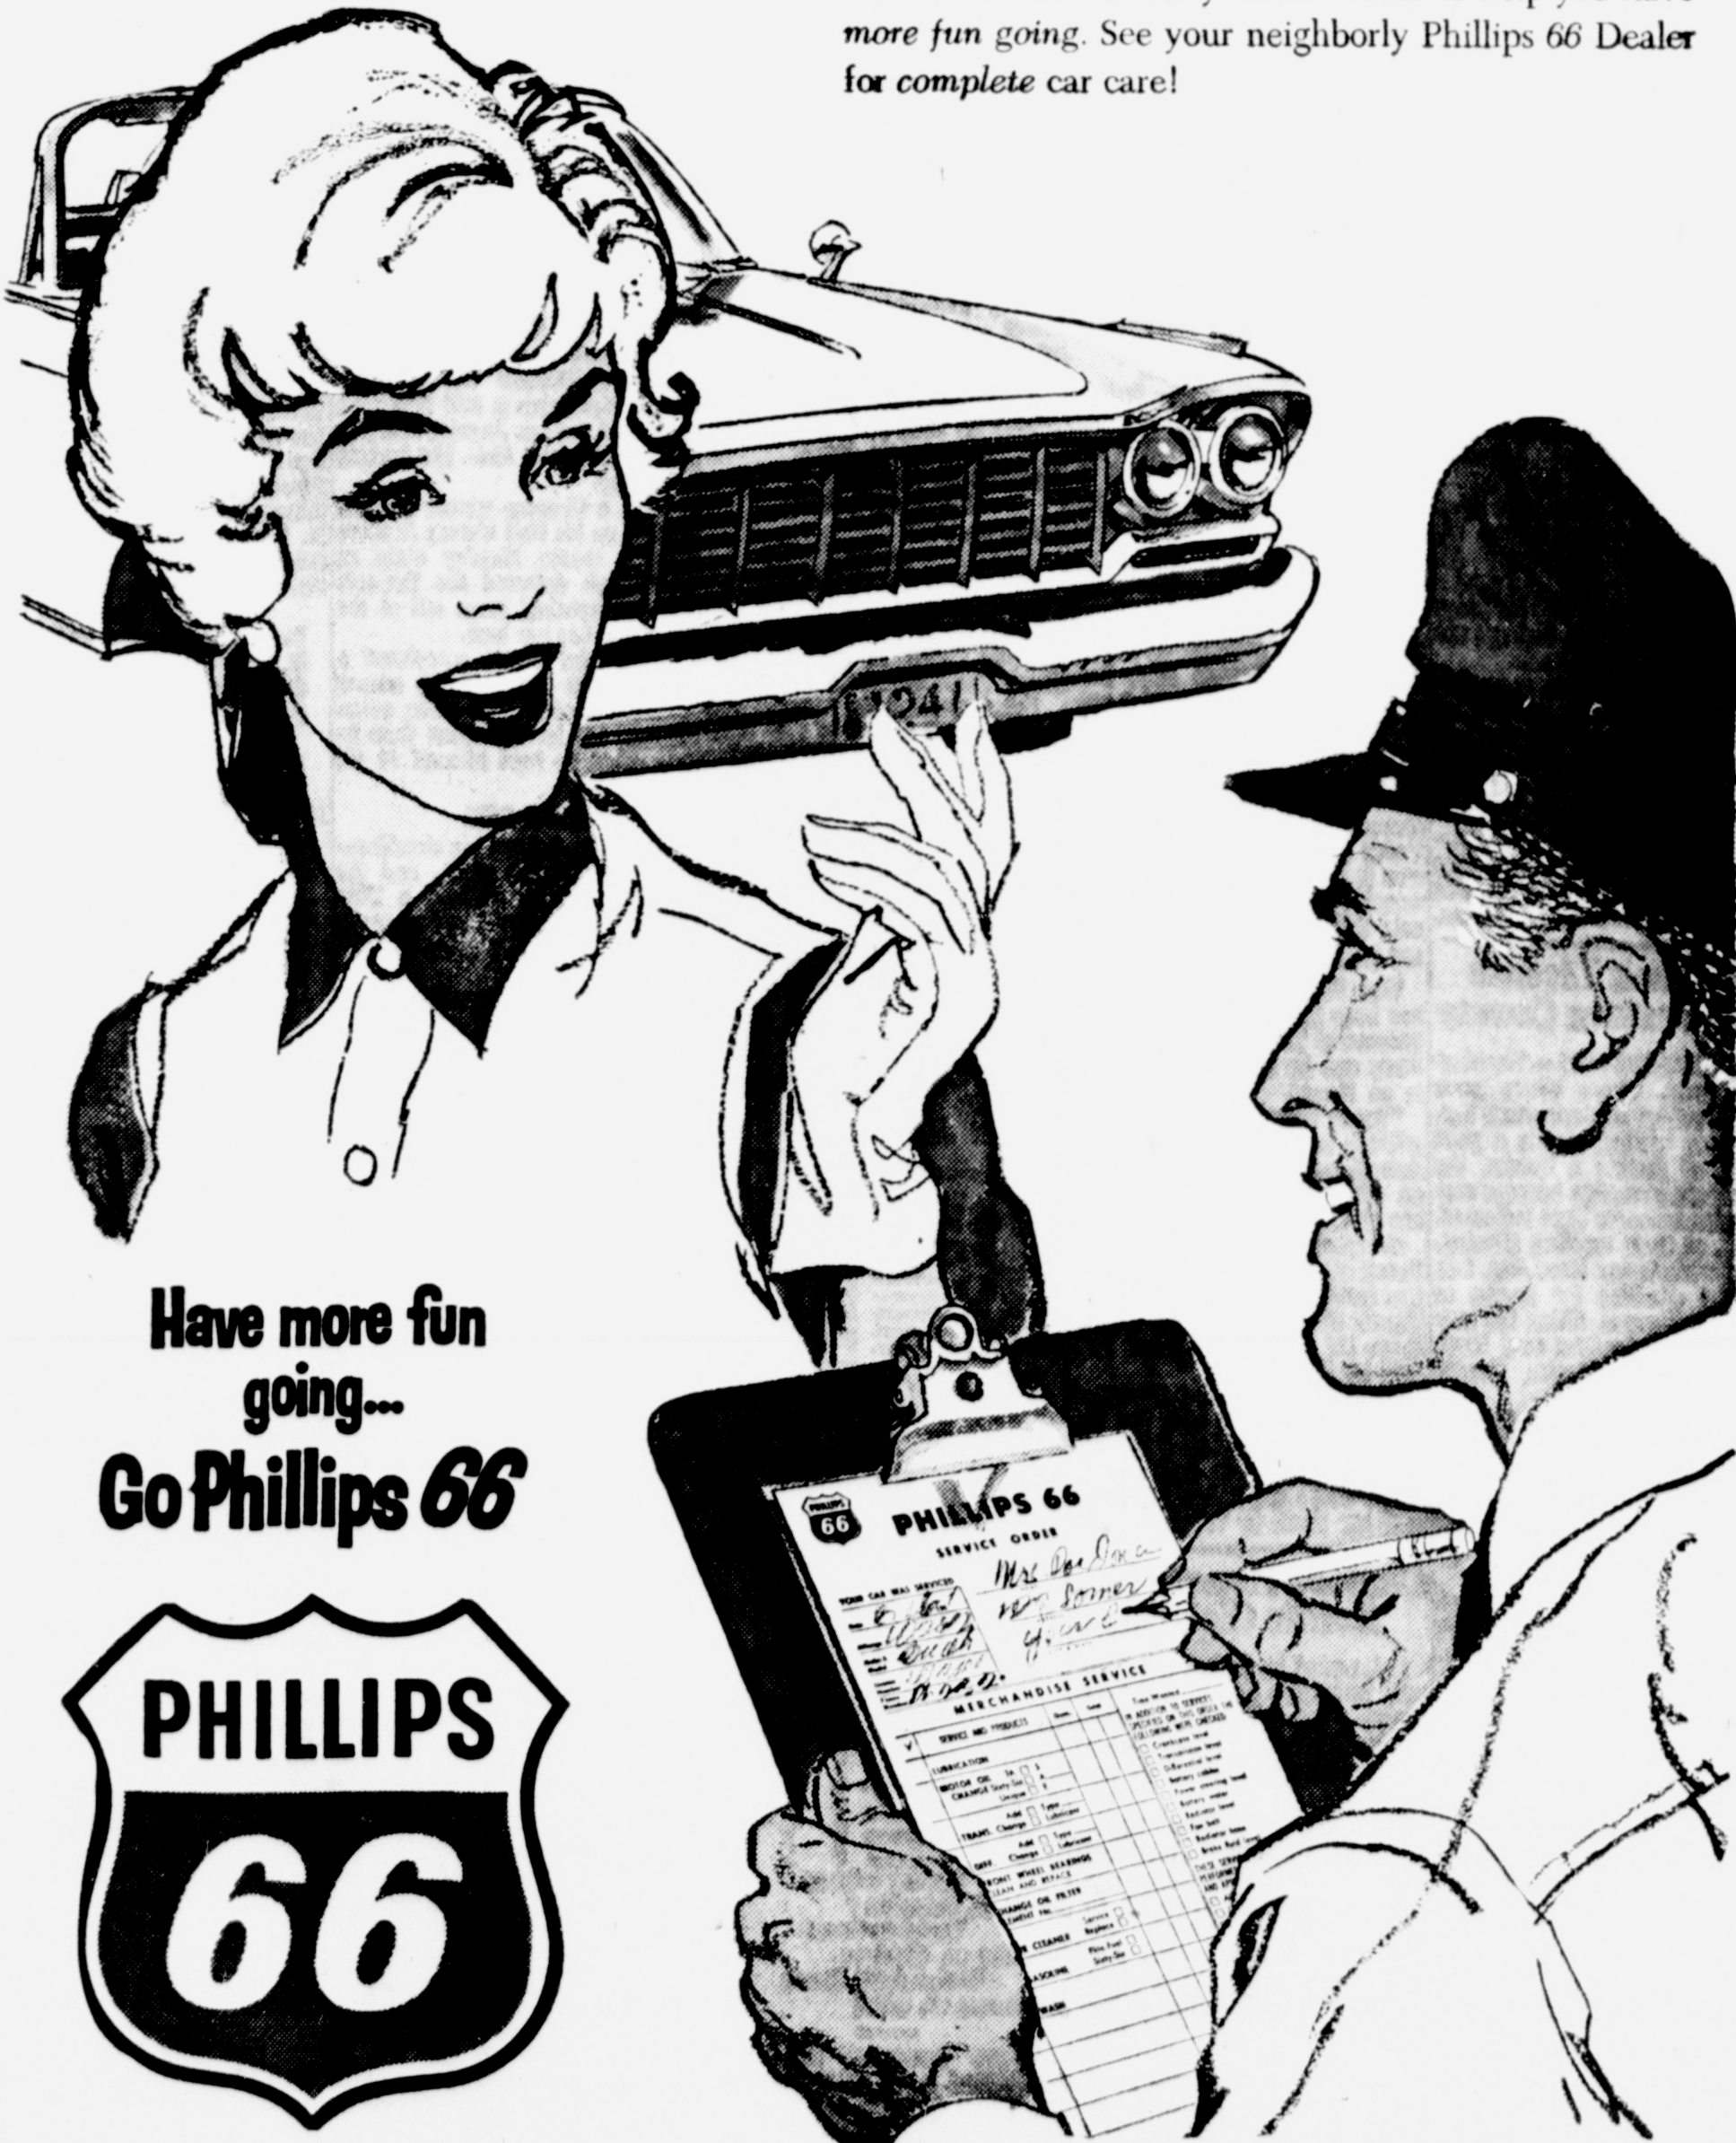

However, Andrews named chairman Jeannette F. Reibman, D-Northampton, of the Standing Education Committee to head the special committee. Mrs. Reibman served on the governor's committee and filed a minority report disagreeing with some of the recommendations.

Named along with Mrs. Reibman were Democrats J. Dean Polen of Washington County, Joshua Eilberg, Philadelphia, and LeRoy K. Irvis, Allegheny, and Republicans W. Stuart Helm, Armstrong; M. H. Goldstein, Allegheny; Eileen G. Henzel, Montgomery, and Edwin Eshelman, Lancaster.

by FREDERICK C. RUSSELL

Don't be surprised when you drive into a filling station if the attendant asks if you want to fill 'er up with taxoline.

The medical profession has a bit of advice that should help many an automobile owner chart a smoother course. Talking comfortably and logically to their patients physicians often explain that many a chronic condition is just something they must learn to live with.

Going on a different theory millions of motorists try to buck chronic troubles with their cars, or inherent weaknesses in design. This is a constant source of annoyance to them, spoils their fun and often is the cause for lapses in their driving skill. If the car vibrates at 35 miles an hour, why not drive just a little above or below this speed? If the car wanders because loading down the rear causes sag at that end, why not try to lighten the travel load?

Many engines will not run smoothly at lower speeds in hot weather, requiring downshifting when turning corners. A philosophical driver will just preselect second when starting the turn and tell himself that this is what many drivers of European cars do anyway. You can live with many a car shortcoming if your attitude is properly adjusted.

COOLING STEPS OUT

Considering the fact that last year some 650,000 air conditioning units for cars were sold it is rather interesting to note that this great convenience for the hot weather traveler was not produced commercially until the late 1940's. Prices for the first batch ran from \$900 to as high as \$1,400 and were so bulky they took up just about the entire space in the

luggage compartment. Many a motorist found that while he could travel in greater comfort he could not take much luggage with him.

This year sales are expected to reach 750,000 units.

The engine oil filter as we know it today probably will be outmoded with a few years, if the latest information from abroad is any safe guide. One of the European jobs for 1961 carries an arrangement whereby an impeller throws oil to the periphery of an aluminum bowl, the mechanical action being obtained from the fan belt pulley. Two special advantages are claimed.

First of all the filtration process is quite efficient even during engine idling. But most important pass through any matter which is the fact that oil never has to be already been trapped out as in the case of the conventional filtering element.

MECHANIC JOE SPEAKING:

"If I had the time I would try to produce some statistics on the time that elapses before motorists know they need to have something done on the car and the time they actually bring the car to the shop. This, I believe, would easily explain why in so many cases there is more to remedy than the original problem."

Even in a period of two weeks additional troubles can develop. That will increase the size of the repair bill if the owner wants to have things properly serviced. The extra problems may be directly related to the original and brought on by failure to seek prompt service."

WHAT'S YOUR TROUBLE?

Q. Higher octane gas and checking the ignition timing has not stopped a ping which I get in the engine of my car under conditions which seem rather illogical for it. That is, I may get

this ping when I am accelerating at certain times, or perhaps after I open the throttle again following a downhill run. Now what? H. G. S.

A. This is "wild ping" and may be due to some loose particles of carbon which under certain conditions results in preignition.

Q. The generator of my car, according to the ammeter, isn't charging as it should. There is no belt slippage. B. L.

A. At the low mileage this car has traveled it would not seem that the brushes are worn or that the commutator of the generator would have developed high mica. Perhaps you have overoiled the front bearing. The fan in the generator pulley would drive this back over the commutator and gum up the works.

Q. I have trouble with the clutch grabbing. Oil mileage also is way down. Wm. L. P.

A. The two are related. Oil is leaking past the rear main bearing retainer into the clutch housing. Oil that gets on the clutch facing become gummy, causes slippage first and then grabbing.

Q. What would cause road shock to be felt in the steering wheel? We have checked steering connections and alignment. M. C.

A. Next step is to check the front wheel bearings which probably are loose.

Q. The engine of my car races on upshifting of the automatic transmission. I have been told that bands need adjusting. T. B. J.

A. Perhaps, but your mechanic will also make sure that there is no slippage of the multiple disc clutch in the transmission.

Q. My car has started to wander a lot. There is no rear-end sag to throw front-end caster off normal. Nothing that we check seems to provide an answer. G. McN.

A. How about possibility of a bent steering knuckle?

Q. Overheating is getting to be a problem. The engine's timing is adjusted for regular gas. F. A.

A. Late timing causes slow combustion of gas mixture in the

FAIRFIELD — Mr. and Mrs. John Lowe, of Hanover, visited recently with Mr. and Mrs. Kermit Spence.

Mr. and Mrs. Jess McKean, of Pleasantville, and Miss Effie Herring of Philadelphia, were recent guests of Mr. and Mrs. Stuart Sites and family.

Mr. and Mrs. James Eck, Littlestown R. D., have purchased the Neely property at the rear of Main St. and will reside there in the autumn.

The Lutheran members of the graduating class of Fairfield High School were guests of honor at a reception given by Rev. and Mrs. Otto Kroeger at their home Friday evening. Those present were: Donald Gilbert, Carolyn Gembe, Yvonne Herring, Randy Inskip, James Kittinger, Carson Lowe, Polly Wright, Connie Myers, Nancy Myers, Julie Ross, Henry Sanders, Jimmy Sanders, John Sanders and Phyllis Snyder.

Mr. and Mrs. Oliver Sanders and Mr. and Mrs. John Brown are visiting this week with Mr. and Mrs. Leo Murphy and son in Eagle, Mich. Mrs. Murphy is the former Miss Janice Sanders, of Fairfield.

On Pentecost Sunday, the following young people were received into Zion Lutheran Church by confirmation: Jeanne Donaldson, John Eyer, Orella Gembe, Thomas Kittinger, Elaine Rein-dollar, Robert E. Sanders, Robert Wilmer Sanders, Virginia Shultz, Gary Spence, Linda Summers, Gregory Wortz and Faye Strayer.

Clarence Thomas, state 4-H Club Week; Kenneth Stonifer, eastern national livestock show and the eastern national hog show; Betty Stonifer, "Queen For a Night Dance," National 4-H Club Week, Carroll County 4-H, FFA fair and the Carroll County campfire. The members also told their placings at each fair and slides accompanied some of the topics.

After the program, Clyde Hesson, of the First National Bank, presented the club with the Maryland State Banker's Award and charter as it was one of three outstanding 4-H Clubs in Maryland during 1960. The club won this award as a result of the information covering the activities and events which the club members participated in during the year.

Games and refreshments were served.

The annual fishing rodeo sponsored by the Taneytown Junior Chamber of Commerce, through the cooperation of the Taneytown Rod and Gun Club, will be held Saturday, June 24, at the Rod and Gun Club grounds from 9 to 10:30 a.m. In the event of rain, it will be postponed until Monday evening, June 26, from 6:30 till 8 p.m. All fishermen up to 14 years of age are invited to attend.

Chairman Dean Nusbaum announced that prizes will be awarded and free refreshments will be served. Each participant is required to bring his own bait and equipment and to have a signed registration certificate in order to be eligible for entry. Registration forms will be available at Dougherty's Store and also at the club grounds on the day of the event.

Members gave summaries of last year's events. Those participating and topics were: Harold Thomas Jr., rural life Sunday; Joan Thomas, achievement night;

cylinders, and this is quite likely to cause overheating. Also figure that the cylinders have picked up a lot of carbon. Unless you have this carbon scraped out you had better advance the timing and use premium gas.

Q. How will a higher rear axle ratio affect the speedometer's reading? Will the speedometer be fast or slow? P. H.

A. A higher ratio (where the propeller shaft turns over fewer times per full turn of a rear wheel) causes a lower reading.

TELLS COURT HE HAD TO PULL TEETH OF JEWS

By THOMAS A. REEDY

JERUSALEM (AP) — A young Jew told the Eichmann trial court today that at 13 he was forced to extract the gold teeth from bodies of gassed victims in the Chelmo concentration camp.

Simon Srebnik, a Polish-born mechanic now in Israel, testified he saw an average of 1,200 Jews paraded to their deaths daily over a period of nine months.

The routine was always the same, he said. The Jews were given towels and soap and 80 to 100 at a time were herded into a big van and driven away.

"The doors were hermetically sealed," he said. "When the van moved on, the gas would enter it and in this way they all were killed."

STILL BEING HAUNTED

Srebnik's job was to pull gold out of the teeth of the bodies on their arrival at the crematorium. "I do not sleep well at night. Those horrid pictures are still haunting me," the witness said. Attorney General Gideon Hausner said Adolf Eichmann—on trial as director of the Nazi exter-

mination of six million Jews — was responsible for the Jews being sent to such death camps and "therefore is responsible for what happened to them there."

Srebnik said all the Jews forced into the operational work of the death camp were chained night and day.

In 1945, just before the Russians overran that area of Poland, the SS liquidated the camp. The "staff," of 78 Jews was ordered shot.

Srebnik said his bullet hit him in the back of the neck and came out his mouth. The SS executioner, checking bodies and where necessary finishing the job with his pistol, apparently was convinced the boy was dead. But Srebnik said he managed to crawl away and found refuge with a Polish gentile who hid him in a stable.

Wants McNeely To Box Champion

BOSTON (AP)—Manager Peter Fuller is sure his unbeaten heavy-weight Tom McNeely will meet champion Floyd Patterson in September, probably in Boston Garden.

"The fight will be held regardless of the promoter," Fuller said Monday. "But Sam Silverman knows how to handle the promotional end. He worked hard to get this match. He's even working with Cus D'Amato, Patterson's manager, to build up Jose Torres as a local attraction against Paul Pender."

"Patterson and D'Amato want Silverman in on the deal, but Championship Sports Inc. has Patterson under contract. That outfit says the McNeely fight in Boston is okay for September."

PENNA. MAY REAPPORTION FOR 28 SEATS

HARRISBURG (AP)—The House majority leader said Monday there appeared to be a prospect that Pennsylvania will be able to reapportion congressional districts on the basis of 28 instead of 27 seats.

Rep. Stephen McCann, D-Greene, said he expected final word from Washington in two weeks on whether Congress will increase its membership. If it does not, Pennsylvania stands to lose three of its 30 house seats because of population changes in the 1960 national census.

"I have been informed by Reps. William J. Green and Francis Walter that there is good support for a bill that would increase the size of Congress and thereby give Pennsylvania the extra seat," McCann told a newsman.

OUTLOOK REMOTE

He voiced optimism that the legislature could reapportion congressional seats before adjourning.

Despite his admission that it would take two weeks to find out what Congress intends to do, McCann said he still was shooting for a winnow of the legislative session by the end of the month.

In view of that timetable, the possibility of action on legislative reapportionment in this session appeared to be remote.

At his last news conference, Gov. Lawrence said the redistricting of state House and Senate seats would be difficult because of the political division of the legislature.

HOUSE RETURNING

Meanwhile, Republican State Chairman George I. Bloom and his Democratic counterpart, Otis B. Morse, urged that the legislature stay in session to tackle congressional reapportionment.

If some final word isn't forthcoming soon from Congress, Bloom suggested that the Assembly proceed on the basis that the state will have only 27 congressmen in 1963.

If the House membership were increased later, he suggested that the additional congressman from Pennsylvania could be elected in 1962 on an at-large, or statewide basis.

The House, back from a 13-day recess, scheduled a four-day session this week. The Senate, which met last Wednesday and Thursday, hasn't fixed a timetable yet. However, it was expected to meet at least three days in order to clear the way for adjournment soon.

NEW COUNTY IS STUDIED FOR STATE AGENCY

HARRISBURG (AP)—Lycoming County is the newest on the growing list of counties that would like to be considered as sites for possible relocation of state agencies.

Joseph F. Dutra Jr., general manager of the Williamsport Chamber of Commerce, headed an 11-member delegation from that county that met in a half-hour closed-door session Monday to discuss relocation with Gov. Lawrence.

He said, "we discussed proposals for changing the whole economy of the Lycoming County area." It was the third county group so far to approach the governor on the subject.

MADE NO REQUEST

"We came down to Harrisburg because we heard of the possibility of diversification of the state government units," Dutra said. "We made no request for any specific agency, nor did we discuss any particular department."

Dutra quoted the governor as saying there are areas of state government operations that do not have to be located at the state capital.

ing title. In the meantime the "world" has shrunk.

The National Boxing Association withdrew its recognition because Moore failed to defend and eventually crowned Harold Johnson. Moore still reigns in New York, Massachusetts and Europe.

Moore finally gets in there Saturday night with his championship on the line. His opponent will be Giulio Rinaldi, a 26-year-old Italian who beat him in a non-title scrap in Rome last October.

The last time Moore made the 175-pound class limit was Aug. 12, 1959. He knocked out Yvon Durelle in three rounds.

Rinaldi has fought only 30 bouts (25-5 record). Moore will be climbing into the ring for No. 213. He has a 181-25-6 record with 130 knockouts.

The bout will be carried on network (ABC) television, starting at 9 p.m. (EST).

TELEVISION IS UNHAPPY ON KENNEDY TRIP

By CYNTHIA LOWRY

AP TV-Radio Writer
NEW YORK (AP)—Television, which has been providing some exciting picture coverage of current events lately, probably is feeling unhappy and disappointed about the President's European journey.

Last fall there were the TV debates between presidential candidates Kennedy and Nixon. There was the superb television coverage of the first space flight by the American astronaut. In both cases, television was able to transport the audience right to the scene of action.

Unfortunately, the cameras couldn't follow President Kennedy behind the closed doors where his important talks took place. As a result all that was left were pictures of arrivals, departures, receptions and processions. The real story had to be reported second-hand—which newspapers and radio did as well, if not better, than television.

STUCK WITH TIME

Meanwhile the TV networks were stuck with a lot of time they had enthusiastically reserved to handle a story which did not produce much hard news, and they all had a tough time filling the minutes between the station breaks. Chet Huntley, for example, had a whole hour Sunday and was forced to fill up some of the time by showing routine film clips of Laotian troops in training.

It is also true that some sports are better adapted to television coverage than others. Baseball, football, basketball, hockey and boxing—all these give the viewer a feeling of being close to the arena.

RACING IS TOUGH

Horse racing, however, losses a lot, partly because all horse races look pretty much alike from a distance. Sherlock won an exciting victory in Saturday's CBS telecast of the Belmont Stakes, but the most exciting part of the telecast was announcer Bryan Field's on-the-spot report of the race. It would have been just as exciting on the radio.

BREAK IN LOCK HINDERS NASA

HUNTSVILLE, Ala. (AP)—A break in a lock in a TVA dam poses a major problem to the National Aeronautics and Space Administration: How will the huge Saturn space booster be transported to Cape Canaveral, Fla.?

The booster is scheduled to be launched in Florida later this year. A barge was built especially to haul it to Cape Canaveral from Redstone Arsenal.

The barge is at Redstone Arsenal—above the damaged link in the Tennessee River navigation system. Huge concrete sections in the lock at Wheeler Dam shifted Friday night. Traffic cannot go through the lock until repairs are made. TVA said it may take many months.

The National Aeronautics and Space Administration had planned to ship the Saturn down the Tennessee, Ohio and Mississippi rivers.

Engagements

MISS SENTZ

Mr. and Mrs. Calvin Sentz Jr., R. 1, announce the engagement of their daughter, Barbara Jeanne, to R. Glenn Snyder, son of Mr. and Mrs. Roy C. Snyder, Littlestown R. 2.

Miss Snyder is a 1961 graduate of Littlestown High School. Her fiancé is a 1960 graduate of the same school and is employed by Vernon Snyder.

Hombach—Greenholt

Mr. and Mrs. Harold J. Greenholt, McSherrystown, announce the engagement of their daughter, Mary Anne, to SP/4 David R. Hombach, son of Lt. Col. USAF (Ret.) and Mrs. W. D. Hombach, Hampton, Va.

Miss Greenholt is a 1959 graduate of Delone Catholic High School, McSherrystown, and is employed as an operator at the United Telephone Co., Hanover. Specialist Hombach is a graduate of St. Vincent DePaul High School, Newport News, Va. He also attended Georgetown College Preparatory School, Washington. He is currently serving with the army in Hawaii. A winter wedding is planned.

Weddings

Brenneman—Callis

Union Lutheran Church, York, was the scene at 4 p.m. Saturday of the marriage of Miss Mary Jane Callis, daughter of Mrs. Theresa Callis, York, and the late Otis L. Callis, to James H. Brenneman, son of Mr. and Mrs. Lavern H. Brenneman, York. The Rev. Robert J. Calhoun performed the double-ring ceremony.

Mrs. Brenneman, who was graduated last year from Gettysburg College, is employed as a systems service representative by International Business Machine Corporation. The bridegroom, also a 1960 graduate of Gettysburg College, is employed by the Bell Telephone Company. They will reside in Chestnut Hill.

Miller—Craft

Miss Esther Jane Craft, daughter of Mr. and Mrs. James W. Craft, York Haven, and Edmund McCormick Miller, son of Mr. and Mrs. Ezra M. Miller, Mt. Wolf, were united in marriage in a double-ring ceremony solemnized by the Rev. Robert H. Sternat in St. John's Lutheran Church, Mt. Wolf, Saturday.

Mrs. Miller, a graduate of Manchester High School in 1955 and Indiana State College in 1959, is employed as a home economist by Metropolitan Edison Company. The bridegroom was graduated from York High School in 1955 and Gettysburg College in 1959. He attended the University of London, England, for a year and presently is a student at Harvard Divinity School, Cambridge, Mass. They will reside in Boston.

Trujillo Gets Wishes From Novak

HOLLYWOOD (AP)—Rafael Trujillo Jr., who succeeded to the dictatorial power of his late father in the Dominican Republic, was the recipient of good wishes from Kim Novak.

The blonde actress, young Trujillo's frequent date when he visited Southern California three years ago, disclosed Saturday that she had sent him a telegram. "I told him," she said, "that my prayers were with him and I asked God to help him in this hour of his country's need."

3 ARE KILLED IN AIR MISHAPS

By THE ASSOCIATED PRESS

Three Pennsylvanians were killed in separate, military airplane crashes over the weekend. Lt. Col. David F. McCallister of Swarthmore was killed when his T-33 jet trainer exploded in the air near Scott Air Force Base, Ill., Sunday night. McCallister was commander of the 142nd Tactical Fighter Squadron of the Delaware Air National Guard. A general was injured in the crash.

A U.S. B-58 Hustler bomber which flew from New York to Paris less than two weeks ago in 3-1/2 hours crashed Saturday near Paris, killing three officers including Maj. Eugene E. Moses, of Altoona, Pa., the navigator-bombardier.

CHUTE DIDN'T OPEN
And in Tokyo, Capt. Albert Kucher of Philadelphia was killed Saturday when his TF100 super sabre crashed. Officials said he was ejected from the plane but that his parachute apparently did not have time to open fully.

The cause of the crash in which McCallister was killed and Brig. Gen. William W. Spruance, assistant adjutant general of the Delaware Air Guard, injured was not immediately known. McCallister is survived by his widow and seven children. While the cause of the Paris crash was not the Hustler, one theory was that the bomber—built from one of its four turbo-prop engines. The aircraft slammed into the ground moments after flashing past 20,000 persons watching an air show at Le Bourget Field. On May 26, the bomber—which could fly at twice the speed of sound—set a record with a different crew for the New York-Paris hop: 3 hours, 19 minutes 41.5 seconds.

Both Moses and Kucher are survived by their widows and children.

Disappointed Youth Gets Watch For Dad

LOS ANGELES (AP)—"I bid a dime," said Jim Ezell, 13, as the auctioneer held up a 17-jewel wrist watch.

The bidding went up to \$1.25, but Jim stopped at \$1, disappointment on his face.

"Why did you want the watch, boy?" asked auctioneer Leo Proctor.

"To give to my dad on Father's Day," said Jim.

"The watch is yours," said Proctor.

The trimonetary auction of unclaimed merchandise held Saturday by the Los Angeles Police raised about \$10,000 for fire and police pension funds.

Three Killed In Two-Car Accident

RIDGWAY, Pa. (AP)—Two autos collided head-on Sunday in a fiery crash on long, steep Boot-jack Hill here. Two men died in the flaming wreckage of one car and a young sailor was killed in the other.

Harry Gibbs, 39, and Lester Nelson, 45, both of Ridgway, were burned beyond recognition in the car that burst into flames.

Patrick Liptak, 22, died of a broken neck. Liptak, stationed with the U. S. Navy at Norfolk, Va., had been visiting his Ridgway home on leave.

U. S., Reds Debate Freedom Of Press

NEW YORK (AP)—Teams headed by White House press secretary Pierre Salinger and Soviet Premier Khrushchev's son-in-law will argue freedom of the press in a nationally televised debate on June 24.

The National Broadcasting Co. announced the debate will be taped at 2 p.m. June 24 and broadcast over the NBC-TV network that night from 9:30 to 10:30 p.m., Eastern Daylight Time.

Harrison Salisbury, writer on Soviet affairs for the New York Times, will be on the American team with Salinger.

The Soviet team will be Khrushchev's son-in-law, Aleksel Adubey, chief editor of Izvestia, Soviet government publication; and Mikhail A. Kharlamov, chief of the press department for the Soviet Foreign Ministry.

The Soviet debaters will be brought to this country for the debate, an NBC spokesman said.

TO INVESTIGATE CONDITIONS IN TRUJILLO LAND

By BEN F. MEYER
WASHINGTON (AP) — A five-nation special commission is expected to leave Thursday to determine whether the Dominican Republic is moving toward more freedom for its people or toward an even tighter dictatorship.

A seven-nation committee of the Organization of American States voted Monday to send the commission to investigate conditions in the Caribbean country following the assassination last week of dictator Rafael Trujillo.

The unanimous acceptance of a U.S. request for the investigation came after Dominican Foreign Minister Profirio Herrera Baez said his country would welcome the special mission.

FIRST VICTORY

The decision marked the first victory in an inter-American agency for the administration of President Kennedy. The United States had strong support in the proposal from other American republics but the initiative clearly came from Washington.

The OAS last August at San Jose, Costa Rica, charged that the Trujillo government plotted an assassination attempt on Venezuela's Romulo Betancourt of Venezuela and voted that all American republics should break diplomatic relations with the Trujillo regime.

A special committee sent to the Dominican Republic last year to

conduct an investigation was not permitted to travel freely and conduct its business.

OAS officials said it appeared probable the special five-nation commission would depart Thursday morning from New York. Its members are Panama, the United States, Argentina, Mexico and Uruguay.

Golf Today For PGA Target Score

CHICAGO (AP) — U.S. Open champion Arnold Palmer and PGA titlist Jay Hebert meet today in 18 holes of medal play with the winner's score being the target climaxed National Golf Week.

Golfers from coast to coast will try to match their net scores in one or several rounds, played on courses of their own choosing, against the Palmer-Hebert winner's card.

The PGA-sponsored National Golf Week began last Monday with competitors contributing \$1 for each 18 hole round played to the National Golf Fund Inc. Since 1952, charities and worthy golf projects have received \$801,647 from the fund.

BRADFORD, Pa. (AP)—George Kovack of Sharon is in second place today in the Class A singles and Class A all-events competition of the Pennsylvania Tenpin Bowling Tournament.

Kovack, bowling without a handicap, rolled a 740 Sunday in the singles. Still holding the singles lead with a 753 is Angelo Zugare of Braddock.

Kovack's total in all-events was 2,024. Eugene Kwiatkowski, also of Braddock, continues leading a 11-events with a 1,060.

Jacqueline Remains For European Visit

LONDON (AP) — Jacqueline Kennedy stayed behind today while her husband flew home to report to the American people on his European tour.

Mrs. Kennedy is spending two more days in London with her sister, Princess Lee Radziwill, and then taking private sightseeing trip to Greece.

America's beautiful young First Lady has captivated London just as she did Paris and Vienna.

In her last official appearance at Buckingham Palace Monday night she displayed still another new hairdo that drew a chorus of "oohs" and "ahhs" from spectators outside. Her black hair was lifted high in front, nestled in slight waves across her ears and tucked into a swept-up bun enhanced with diamond clips and diamond-drop earrings.

Queen Elizabeth II gave what was described as a "good old English dinner" for the President and his wife under soft lighting in the palace's state dining room. Kennedy was the first U.S. President to dine at the palace since Woodrow Wilson in 1918.

FIX UNIFORM SUBSIDY

HARRISBURG (AP)—The Senate has approved a measure to fix a uniform \$35 per pupil state subsidy for driver training courses.

The vote Monday on the bill, which goes to the House, was 50-0.

At present, schools receive anywhere from \$12 and \$32 per pupil depending on the health of districts.

Driver Is Killed In 2-Car Accident

PITTSBURGH (AP)—Two autos collided on Babcock Blvd. about five miles north of Pittsburgh Monday night, killing one driver and injuring the other.

Glenn Cunningham, 21, of Pittsburgh, died early today in Allegheny General Hospital.

Elmer E. Pitschke, of Pittsburgh, was detained at the hospital in good condition.

Police said Cunningham was trying to pass Pitschke going North. Pitschke made a left turn and the cars collided.

On the same date and at the same place beginning at 2:00 o'clock, P.M., E.D.S.T., the undersigned will offer at public sale the following

REAL ESTATE

TRACT NO. 1
Two-and-a-half-story, 8-room, stone house with summerhouse, ground barn and garage on approximately two acres of ground. This house is over 100 years old and was formerly a tavern.

TRACT NO. 2
Thirty acres of farm land under high state of cultivation, now in grass. This farm faces the Two Taverns-Barlow Road and could be developed into nice building lots.

TRACT NO. 3
Wood-lot of three acres, more or less, along township road leading from the Two Taverns-Barlow Road, with second growth timber consisting mostly of oak and hickory.

a question said he did not know many might have disposal units in their homes.

COUNCILWOMAN ATTENDS

The report also showed 28 per cent of the premises surveyed contained "rodent harborage." Mosquito "sources" ranged from 12 per cent in the Second Ward to 32 per cent in the First Ward. First Precinct. The Second Ward received the best health condition rating in most instances while the worst conditions usually occurred in the First Precinct of the First Ward.

President Richard A. Folkenroth presided at the meeting and reservations were taken for a ladies' night meeting next Monday at Cashtown.

Libby was introduced to the club by Mrs. James Schwenk, member of the town council and chairman of its health committee.

How To Hold FALSE TEETH More Firmly in Place

Do your false teeth annoy and embarrass by slipping, dropping or wobbling when you eat, laugh or talk? Just sprinkle a little FASTEETH on your plates. This alkaline (non-acid) powder holds false teeth more firmly and more comfortably. No gummy, gooey, pasty taste or feeling. Does not sour. Checks "plate odor" (denture breath). Get FASTEETH today at drug counters everywhere.
